# 2015 Miami | Latin American Claims (re) Insurance Forum

The Latin American Claims (re) Insurance Forum is a unique and exclusive event in Miami for career advancement and networking. Sessions are collaborative and sharing experiences is encouraged. The forum will be a dynamic assembly of key London, International, and Latin American experts analyzing top issues and developments that affect Latin American & Caribbean claims. It is a must-attend.

*June 23th - June 26th 2015*

If you have experience working in the insurance market and deal with Latin American and Caribbean claims, come prepared to spend four intensive days of in-depth discussion on issues at the regional hub for insurance and reinsurance, Miami.

Leading industry professionals will tackle the issues with a crucial pragmatic approach encouraging small group discussion. Delegates will mix with the speakers during both the case studies and social events, offering a unique occasion to forge connections and promote their career development.

Alex Guillamont, Kennedys Latin America director, asserted: “This forum is a great collaborative effort from different regions. We are bringing together Latin American & Caribbean and London experts to make this event unique.”

According to Juan E. López-Santini, QLDG Partner: “This event brings together the key players of the Latin American, London and Caribbean insurance markets for interactive in-depth discussions focusing on current topics relevant to the region and our industry as a whole”.
